WRC
FIA WORLD RALLY
CHAMPIONSHIP

Date : 4th July 2015

Time : 18.30 hrs

Subject : STEWARDS DECISION No : 6

Document No: 2.7

From : The Stewards

To : The Competitor of car No. 42 EUROLAMP WORLD RALLY TEAM
Crew VALERIY GORBAN / VOLODYMYR KORSIA

The Stewards received a request by the competitor of car No. 42, who has entered Rally Poland 2015 as a rally in which to score points for the 2015 FIA WRC2 Championship, NOT to consider Rally Poland 2015 as one of the rallies entered to score points. They stated that their retirement on Friday, 3rd July 2015, had been "out of their control".

As a consequence of an accident in special stage 2 involving a spectator, the car and crew were stopped and held by the police after special stage 4 for further investigations. The competitor then had to retire from the rally.

The Stewards consider that the retirement of the competitor on account of the above facts is still a consequence of their driving mistake, so under the crew's responsibility, and as the car had actually taken the start of the rally, after due deliberation,

DECIDE

Not to accept this request and to consider Rally Poland 2015 as a rally in which to score points for the 2015 WRC2 Championship.

The Competitor is reminded of its right to appeal.
